## Wooden Playset Slides 7' - \$35 (Westminster)

For the month on March, slides lowered to \$35, get them before April comes! These are 7' slides.

No reason why you can't put 2 on each swingset. The kids love more than one slide. Easy to mount, only takes 2 screws!

Call-303 288-3086

I also have glider swings.

Next week is fine. I'm experienced at plumbing. Is the water heater in the basement?

Free 18' above ground pool (no issues) (Pecos/52nd)

Bought a large above ground Intex pool last year and have since moved to a townhome and can't take it with me. It was left out over the winter (but drained) so it needs a good scrubbing (a pressure washer would make quick work of it). Other than being dirty, the pool is in great condition.

When I bought the pool I upgraded the filter to a salt/sand system. As far as I know the system works with no issues. I also have the original (much smaller) pump that came with the pool.

All in I spent over \$800 on this pool, willing to part for free simply due to wanting to be rid of the hassle and the fact that demand for pools doesn't really seem to be too high until it's hot out. My inconvenience is your opportunity!

I'll be taking the pool down from the backyard and setting it out on Pecos around 11am. You'd need a truck to move it, first come first serve. If anyone wants to help take down to secure first rights email me by 10:30.
