Hi,

I made an inquiry a few months ago about polyiso. You said you had some and were expecting more. We are closer to needing it now. Do you have 1 1/2" to 2" thicknesses? We would need about 50 to 60 4x8 sheets. (or equivalent smaller sizes.)

I also bought 3" XPS in 2 x 8 foot sections in the past. I could use a bit more of that too if it is still available.

If you have either or both of these on hand, would you please send me a quote?

Thanks,

Ellen Dibble
