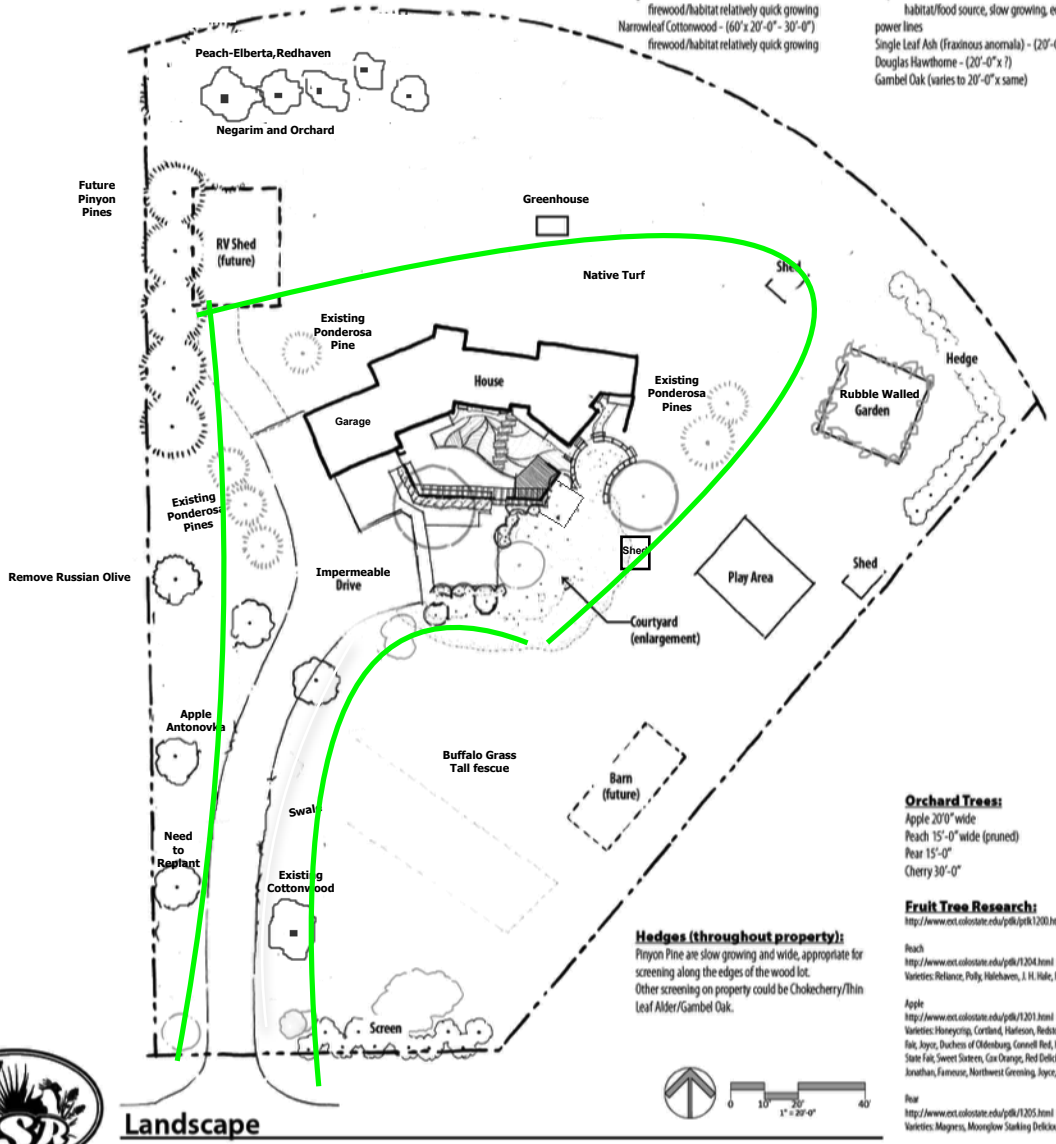
Construction Traffic Limited to Inside Green Area

Landscape Concept



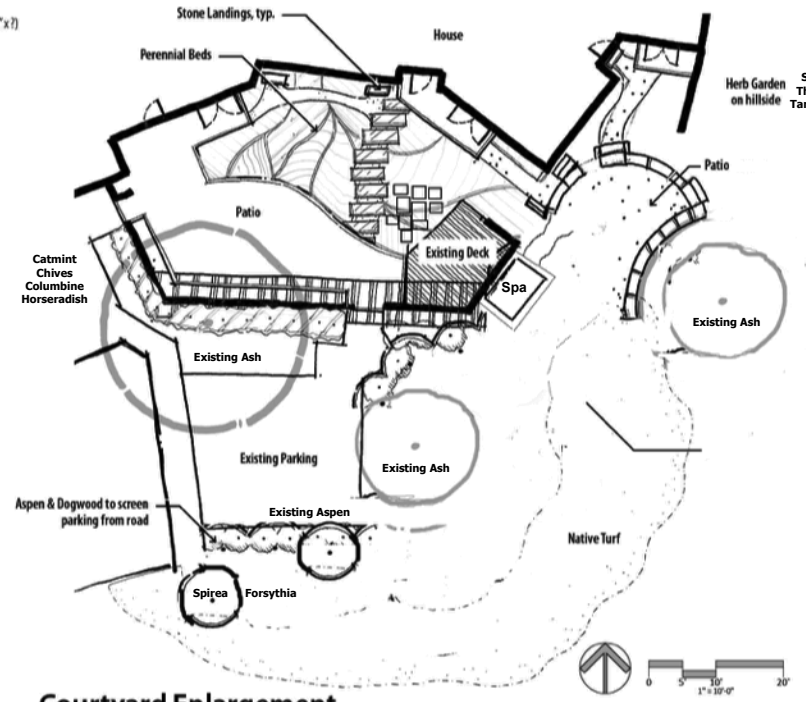
Large Woodlot Trees:
Douglas Fir - (70'-0" x 20'-0")
firewood/habitat relatively quick growing
Narrowleaf Cottonwood - (60'x 20'-0" - 30'-0")
firewood/habitat relatively quick growing

Small Woodlot Trees:
Pinyon Pine - (20'-0" - 30'-0"x same)
habitat/food source, slow growing, edges under power lines
Single Leaf Ash (Fraxinous anomala) - (20'-0" x ?)
Douglas Hawthorne - (20'-0"x ?)
Gambel Oak (varies to 20'-0"x same)

Hedges (throughout property):
Pinyon Pine are slow growing and wide, appropriate for screening along the edges of the wood lot.
Other screening on property could be Chokecherry/Thin Leaf Alder/Gambel Oak.

0 10' 20' 40'
1" = 20'-0"

Landscape



0 5' 10' 20'
1" = 10'-0"

Courtyard Enlargement

Orchard Trees:
Apple 20'0" wide
Peach 15'-0" wide (pruned)
Pear 15'-0"
Cherry 30'-0"

Fruit Tree Research:
http://www.ext.colostate.edu/pdk/pdk1200.html

Peach
http://www.ext.colostate.edu/pdk/1204.html
Varieties: Reliance, Polly, Halehaven, J. H. Hale, Ranger, Elberta and Haven.

Apple
http://www.ext.colostate.edu/pdk/1201.html
Varieties: Honeycrisp, Cortland, Harleson, Redstone Canyon Gold, Zestar, State Fair, Joyce, Duchess of Oldenburg, Connell Red, Keepsake, Prairie Spy, Regent, State Fair, Sweet Sixteen, Cox Orange, Red Delicious, Golden Delicious, McIntosh, Jonathan, Fameuse, Northwest Greening, Joyce, Wealthy, Lodi

Pear
http://www.ext.colostate.edu/pdk/1205.html
Varieties: Magness, Moonglow Starking Delicious (Maxine)

Native Turf:
- Bouteloua gracilis (Blue Grama)
- Festuca idahoensis (Idaho Fescue)
- Koeleria macrantha (Prairie Junegrass)
- Bouteloua dactyloides (Buffalograss)

Native Trees/Shrubs:
Alnus incana tenuifolia (Thinleaf Mountain Alder
Celtis reticulata (Netleaf Hackberry)
Crataegus douglasii (Douglas Hawthorn)
Populus angustifolia (Narrowleaf Cottonwood)
Populus tremuloides (Aspen)
Cornus sericea (Redtwig Dogwood, Red Osier Dogwood)
Philadelphus lewisii (Mockorange)
Prunus virginiana (Chokecherry)
Ribes aureum (Golden Currant)

Native Perennials:
Achillea millefolium (Yarrow)
Aquilegia coerulea/caerulea (Colorado Blue Columbine)
Aquilegia formosa (Western Red Columbine)
Clematis ligusticifolia (Western White Clematis)
Eriogonum umbellatum (Sulfurflower Buckwheat)
Geranium viscosissimum (Sticky Geranium)
Hymenoxys hoopesii (Owl's Claws)
Iliamna rivularis (Mountain Hollyhock)
Iris missouriensis (Rocky Mountain Iris)
Linum lewisii (Blue Flax)
Penstemon strictus (Rocky Mountain Penstemon)
Sphaeralcea munroana (Munro's Globernallow)
Festuca idahoensis (Idaho Fescue)
